

ACADEMIC COACHING - ONLINE COURSE - WORKSHOP

EDUCATING EXCELLENT STUDENTS?

Help your students excel in **time- and organization** management, advanced **motivational techniques** and **test-preparation** skills.

Additional academic support is not always part of the school curriculum but it can be a valuable addition to regular subjects.

If you've got teachers who are ready to pass on valuable information to students (as dedicated classes or individual coaching sessions), get immediate access to this course offer here and boost your students' academic success! Learn more [here!](#)

Alexandra Allover

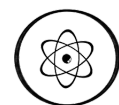

ONLINE COURSE FOR TEACHERS & STUDENTS INCLUDING:

-  80+ videos (currently in English)
-  5+ hours of dense information
-  additional PDFs and worksheets

BONUS:

-  One free half-day workshop
